

# CL DUNN Christian Academy Fund Raising Campaign

## Education Builds Bridges to the Rest of the World

Dear Friends and Family,

The holidays are soon upon us. We are offering you an opportunity to give a gift that is making a difference in the life of a child through education and leave a lasting legacy stone in dedication of a loved one.

Due to lack of schools for young children in the Doemah Town, Lower Margibi Cty in Liberia, West Africa, a Pre K-3<sup>rd</sup> grade has been built 20 minutes from ROB airport with an emphasis on early childhood, piano lessons, and dance theater. Future plans are being made for 4-6<sup>th</sup> grade, a library, dining hall, playground, and etc.. In the meantime, these classrooms have been equipped with educational tools and supplies, and teachers are ready to start teaching.

What is still needed are school sponsorships for 100 kids. With a donation of \$115, you can give a child a full year of education and a dedication stone of a loved one placed on the Legacy wall at the school. With your generous donation, you will receive a lovely gift card and picture of your dedication stone to give to the person you dedicated a legacy stone for. These stones are placed on the legacy wall of the CL Dunn Christian Academy.

We thank you in advance for your kind consideration and support of our school and the children who are looking forward to the opportunity of education that was not available to them till now.
